

NEW PRODUCT RELEASE

Petit Bidet

Tear, Dispense, Cleanse!

Introducing Petit Bidet, Intimate Care- the eco-friendly solution to traditional moisturized wipes. A refillable dispenser system with a unique refreshing cleansing foam that dissolves quickly, Petit Bidet eliminates the clogging and maintenance issues caused by conventional wet wipes. Say goodbye to costly repairs and hello to a cleaner, greener world with Petit Bidet. It's a smart, sustainable choice for your customers and the environment.
