

- Simple and Efficient 30-Day Solution**
 Designed for easy installation. It smoothly fits over waterless cartridges, keeping the washroom environment clean and hygienic. Additionally, it allows continuous flow to the cartridge, ensuring its optimal performance

- Anti-Splash Back Performance**
 The unique shaped bristle design is specifically engineered to keep washrooms exceptionally clean, maintaining high hygiene standards. Say goodbye to messy splash back and enjoy a pristine washroom environment

- Exceptional Fragrance Output**
 V-Screen[®] Halo stands out with its exceptional fragrance output. It ensures that you confidently provide a fragrant washroom experience that enhances user satisfaction

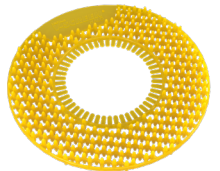

- Reduces the Risk of Bacterial Growth**
 With its antimicrobial properties¹, the V-Screen[®] Halo reduces the risk of bacterial growth on the surface of the screen, addressing odours by eliminating unpleasant smells and promoting hygienically clean washroom environment

¹ Tested to BS ISO 22196 for antimicrobial properties.

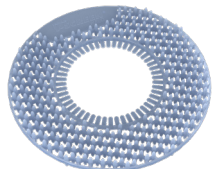

CITRUS MANGO

A fruity cocktail with a burst of citrus peel and juicy berries for a zingy, uplifting fragrance

LINEN BREEZE

The freshness of this lively linen breezes into your surroundings to produce a hit of clean linen

Both with antimicrobial properties¹ to reduce the risk of bacterial growth on the screen
